Band Handbook and Procedures 2019 – 20

The following guidelines are set forth to lend order to the daily operations of the bands. Procedures, such as these, are necessary to ensure that everyone's band experience is positive. Your attention to these guidelines are greatly appreciated and will contribute to your pride in our organization.

Our instrumental music staff feels very strongly that any successful band program must operate from a foundation of mutual respect between students and instructors. We recognize the significance and worth of each student as an individual as well as a member of this organization. We will expect the same recognition in return. We must remember that we are all here for the same reason; to achieve the kind of excellence each day that will establish our band program as a model for the other band programs in the State of Florida.

Parents and Students

After you have read and discussed the information included, please sign and return the accompanying agreement to the Band Directors. Please keep this information so you may refer back to it as needed. If you have any questions or concerns regarding class expectations or your child's progress, please contact us through the band office or by email. Thank you for your continued interest and support in your child's music education and we are looking forward to another exciting year!

COMMUNICATION

Communication is extremely important in a program as active as ours. Please feel free to contact us at the information above if you have questions or need to discuss anything regarding your child's participation in the BRHS Band program. Please look over our revised calendar for all rehearsals and performances pertaining to your student's ensemble(s). It is our goal to distribute information as quickly and effectively as possible. We will always provide paper copies of handouts and schedules, but we also have several other ways for you to stay informed. Please see the list below and use one or all!

Charms - www.charmsoffice.com (School Code: BRHSBands)

Charms is an online music database program that offers many great opportunities to stay connected with detailed information. Parents can access calendars, schedules, fees, and student account information. It is important that we have your most up-to-date contact information. Please look over the form at the end of this packet and turn in a new copy if anything has changed. We use Charms for email reminders and announcements, but students can use it to submit playing test recordings as well as other assignments related to class. Please see the attached instruction sheet on accessing Charms. If you have not logged in before or have lost your ID for Charms, please contact and Band Director and they can reset your password.

Remind101 – all students and parents should be signed up in their respective class for daily announcements, reminders, and assignments. Students and Parents can message Directors to get additional info on events and ask questions. **Simply TEXT 81010 with the message @classcode to get signed up!**

CLASS/ENSEMBLE EXPECTATIONS

While in class students must comply with the following expectations:

- **Tardy** - Students must be in the band room when the tardy bell rings. Check the board for rehearsal details. Students must be in their designated rehearsal area with all necessary equipment 5 minutes after the bell or will receive a Daily Participation grade deduction.
- **Gum, candy, food, or drinks ARE NOT** permitted in the band room at any time. (water in a spill-proof container is permissible as long as the privilege is not abused)
- **Restroom Policy**
 - No restroom passes will be given out during the last ten minutes of class (BRHS Policy).
 - Students must ask for permission to go to the restroom.
 - Only one student can be out of the room at one time.
 - If a student is found to be abusing their restroom privileges, for example – taking an exorbitant amount of time, messing around, roaming the halls, being out of area, etc., their restroom privileges can be revoked for a certain amount of time deemed by the Band Directors.
 - Students with a documented medical condition do not have to ask to use the restroom.
- **Classroom Respect for All Individuals**- Appropriate classroom behavior is expected at all times in accordance with the guidelines set forth in the Braden River Student Handbook. Inappropriate behavior will not be tolerated, and any problems will result in immediate parent contact and/or conference. Future problems may result in removal from the band program.
- **Proper Rehearsal Techniques** are expected at all times – students who do not follow procedures will start the progression of consequences as outlined below.
 - Listen carefully and follow instructions.
 - Sit/stand with proper posture (attitude vs. ability)
 - Have your music organized (check the board).
 - Have a pencil, music, instruments, and accessories at all rehearsals (IMP Check)
 - Be courteous to others.
 - Do not play/talk when the director is giving instructions.
- **Equipment** – Do not touch/play any instrument other than your own. This includes touching or playing percussion instruments. Students are responsible for the band room to be kept neat and clean. Stands should be pushed down, chairs straightened, and trash disposed of. Woodwinds-rotate four reeds. Brass – oil valves daily (not in rehearsal)
- **Instrument Locker** – Do not store valuables in your instrument locker or share your combination. Do not set your lock to the last number of your combination so you can “snap it open” when you are in a hurry. You should make every effort to safeguard your belongings at all times. All students are required to use a school issued combination lock.
- **Electronic Devices** – should be off and not visible during the school day.
- **Music** – students will be given their own personal copy of all concert selections and warmups they are expected to play in class (with the exception of method books – these need to be purchased). They are expected to keep their music in a 3ring binder or folder. If a student is consistently losing their music they can be assigned additional responsibilities in the band room – example: putting up chairs and stands at the end of class.

If a student fails to follow these procedures, here is the progression of consequences:

1. Verbal Warning
2. Phone call home to parent/guardian
3. Referral and Parent/Teacher Conference (Marching Band will replace referral with additional call home)
4. Referral and Parent/Teacher Conference – BRHS Admin may remove from the Marching Band of Pirates
5. BRHS Admin may remove from BRHS Band Program

SEVERE INFRACTIONS: Behavior will be documented and BRHS Admin may remove student immediately from class with parent/guardian notified. Students who show a pattern of being unable to follow the rules or procedures set forth in this document may be removed from the Braden River Band Program by BRHS Admin immediately and/or may not be allowed to sign up for the following academic year/season.

ATTENDANCE POLICY

Students who miss (or know in advance they will miss) a required rehearsal or performance must complete and submit the “Leave of Absence” form electronically to Mr. Bowman’s or Mr. Dawson.

Attendance at all performances and extra rehearsals is required. School excused absences such as personal illness, a death in the family, or an emergency as determined by the director(s) are the only exceptions to this rule. In order to be excused from a performance due to any other outstanding conflict, your director must be notified via the “Leave of Absence” form on the Band Directors class page or the BRHSBANDS.ORG website **one month in advance** of the performance. **Missing a performance due to an unexcused absence will result in a loss of grade and may jeopardize the student’s standing in the performing group.** If a student receives an excused absence from a performance, he/she will need to complete the alternative assignment. **You must provide transportation to a rehearsal or concert at BRHS, not having a ride is not an excuse.**

Students who miss a scheduled rehearsal or concert are required to complete the alternative assignment. Failure to do so will result in a grade deduction and possible removal from the ensemble.

WORK IS NOT AN EXCUSEABLE ABSENCE FROM A REHEARSAL OR PERFORMANCE.

Students participating in a school sponsored athletic activity must submit a schedule to a director at the beginning of the semester. Their directors and coaches will excuse students involved in athletics that have cleared their schedule with a director from rehearsals that have been prearranged. They will not be required to make up time missed provided they maintain an acceptable level of performance with the ensemble.

Alternative Assignments:

Missed Required Rehearsal (excused/unexcused) – perform all concert selections for a Band Director within three days of the missed rehearsal for a grade.

Missed Concert (Excused) – Perform selections for Band Director within three days of missed concert for grade.

Missed Concert (Unexcused) – Perform selections for Band Director within three days of missed concert for grade.
Highest potential grade for an unexcused absence from a concert is a C / 75%.

Excessive absences from rehearsals and/or unexcused absences from performances will result in the forfeiture of points earned towards a student’s grade and band awards.

GRADING POLICIES

The following categories will determine the student’s grade for each nine week grading period:

20% Daily Participation

20% Fundamentals: Scales

20% Skills: Music Preparation

40% Performances/Exams

Daily Participation is based on each student’s participation in class each day 25 Daily Participation Points will be determined based on having all materials daily (IMP Ready – Instrument/Music/Pencil) actively participating in ensemble rehearsal and class discussions, and being in your seat ready to go within 5 minutes of the bell. In Class work will be done periodically throughout each grading period. This is NOT homework and will be turned in at the end of class. If you are absent it is your responsibility to find out if you missed any in class work. Quizzes may be given periodically during a grading period. These tests will cover a variety of concepts discussed in class such as rhythm, key signatures, musical terminology, music theory, and listening skills.

Fundamentals/Skills: students will be asked regularly to perform for the directors by either a recorded or live demonstration. Students will be expected to play excerpts from any of their music including current warm-up/technique exercises. Each student will be required to pass off each assignment for credit; students will be given one chance each day for as many days as they wish. Evaluation is based on tone quality, technique, articulation, part accuracy, and/or memorization. This category includes practice charts. *The deadline to submit Fundamentals/Skills assessments for students with accommodations will be the end of each quarter.*

Performance is the reason why we do what we do! **Attendance for Performances and/or After School Rehearsals** is crucial to the success of our program! We have a variety of performances and rehearsals, which require the student's presence; rehearsals outside of class, community performances, performances at Braden River High School, and State Assessments. Each student is responsible for all performance commitments within the band program. When a student is absent, it affects the students, his/her section, and the entire band. It is the student's responsibility to communicate potential conflicts with a director prior to the absence. In the case of illness/death in the family, please have a parent call or email Mr. Bowman/Mr. Dawson prior to the missed rehearsal/performance. Unexcused (non-verified) absences will have an impact on a student's grade as well as participation at performances. Excessive unexcused absences will result in a student's dismissal from our organization

Schoology and FOCUS are the districts web-based apps for grades and assignments. We will use both resources to submit assignments and post grades. It is important for students and parents to work together to use these resources and stay up to date on their grades and assignments. Schoology DOES NOT have a parent portal, so students will have to give their login information to their parents to check on their assignments and playing tests. Official grades will ONLY be posted on FOCUS.

MATERIALS

Students are expected to bring the following materials to class each day without exception:

- Instrument or Sticks/Mallets
- Music
- Pencil
- Tuner
- Instrument equipment: reeds, oil, reed guard, mouthpiece, etc.

Percussion students are required to purchase their own personal set of mallets and mallet bag:

- 1 mallet bag (size/brand does not matter as long as everything fits)
- 2 pairs of marimba mallets – Innovative Percussion 275
- 1 pair of snare sticks – Innovative Percussion - LD
- 1 pair of timpani mallets – Innovative Percussion - GT3 or CT3

Percussion equipment can be purchased through the BRHS Bands or through various percussion websites - <https://www.steveweissmusic.com> and <http://www.lonestarpercussion.com>

Items may be ordered through the band office, directly from J.A.S. Music Co., or Keyboards and More. A representative from J.A.S. will visit on Fridays to take repairs and deliver items. A representative from Keyboards and More will visit on Wednesdays to take repairs and deliver items. KC Music Solutions is also now available for supplies and repairs.

Instrument/Music Storage– All music equipment and property are to be well maintained, respected, and kept in its proper storage area. Your individual instrument(s) must be properly stored in a case and latched when not in use. Lockers must be locked at all times. Lost or stolen locks must be replaced by purchasing a new lock from the band department at the **cost of \$10.** Instrument cases should be marked with a name tag.

Performance Attire and Responsibility – each student is required to purchase their own concert attire. Order forms will be distributed at the beginning of the year and will include more detailed information. Uniforms will no longer be borrowed from the school. If a student already has concert attire from the previous school year that still fits, they will not be required to purchase a new set of concert attire.

Marching Band Uniform Rules:

1. Never eat in your uniform – only drinkwater.
2. You are responsible for any damage to your uniform while it is in use.
3. Do not modify, alter, or change your assigned uniform without prior consent of the Director(s).

TRAVEL POLICIES

Transportation will be provided by the BRHS Band Boosters. All members must travel with the band. When traveling on buses, students are responsible for loading/unloading equipment on and off the appropriate vehicle. **Students are only permitted to ride home with a parent when written notification has been given to the Directors prior to the event.** Directors cannot release students from riding home on the buses without prior written permission. All Braden River High School policies are to be followed while traveling. Any student that fails comply with the following will be subject to disciplinary action upon returning to school, and possible removal from the group.

Remember, you are not only representing the band program, you are representing Braden River High School, and Manatee County Schools.

You must have a Travel Permission slip and Medical Form on file with the Band Office to travel with the band.

BEHAVIOR ON BUSES

- Students should never leave anything of value on the buses.
- Chaperones should spread out throughout the bus.
- Students must ride the bus which they were assigned. DO NOT change buses!
- One Student Leader or Chaperone will be assigned to check attendance on each bus. Attendance will be checked before the bus moves and at each stop when anyone getsoff.
- The bus driver and chaperones must be treated with respect. Many drivers have different standards, but whatever they say goes!
- Everything must remain inside the bus. Nothing must protrude outside the windows or be thrown out the windows.
- Normal conversation is appropriate, but shouting and screaming is not. All portable media must be played through headphones.
- Chaperones may reassign seats as they deem necessary. Directors may also reassign students to different buses if they feel it is necessary.
- Public display of affection is not permitted on any bus at any time.
- Upon arrival, everyone is to remain seated until instructions have been given by a Director.

LAB FEE

All students in the BRHS concert band and jazz bands will be required to pay a \$50 lab fee for the entire school year. This fee covers all music and travel expenses associated with each ensemble. Students can either pay the \$50 or participate in our fundraisers throughout the year to reach their \$50 mark. Students pay per ensemble – a student in concert band and jazz band would be responsible for \$100 per year. Students travel each year to district music performance assessments, play newly purchased music, experience guest conductors and received awards.
