NO REFUNDS WILL BE GIVEN AFTER JUNE 1, 2024 DEADLINE.

Participation Policy:

If a student's account has a balance from the previous marching season, they will not be allowed to register for the new 2024-25 season. If a student's account becomes delinquent, they could be pulled from practice and performance opportunities. Students are still required to attend all dates on the official rehearsal and performance calendar.

Fund Raising Policy:

Band fees do not cover all of expenses associated with program. To help cover costs, BRBBA organizes several fundraisers over the course of the year. Your participation, support, and sharing fundraising opportunities with the community helps lower costs and the financial burden for everyone. Fundraising events may require individual participation.

Scholarship Program:

A limited amount of scholarship funds are available every season. Students must qualify and apply to receive a scholarship. Scholarship funds only cover general fees, cannot be used for physical supplies (including uniforms, shoes, personal equipment, etc.), and cannot be redeemed for cash. For additional information on scholarships please submit an application to a Director.
