- **Community Night** 18 Nov 2021, 5-8PM, 2 food trucks --- Community night is back to thursday. Students will have regular practice that ends with food trucks. There may be a few opportunities for volunteers in CHARMS. Please tell friends, family, and neighbors. We would like to put it on some of the community websites.
- **Halloween Celebration** 28 Oct 2021 candy donations requested --- You can drop off candy and decorations to the uniform room. Will be celebrating on Thursday after practice for about an hour with snacks and music.
- **Home Show** 23 Oct 2021 --\$15 a ticket at the gate. Tickets purchased online are for online viewing only. Start time is 5:00 so we need to be ready for arrivals by 3:00. MBOP will perform an exhibition at the end of the night (not competing).
 - Bake Sale --- This is usually a big profit maker for us. Last time it was about \$1,000. Donations can be homemade or store bought but need to be single servings with ingredients listed on the package. Cara Costello is heading up the bake sale.
 - Volunteers --- The more people that come, the easier it is on everyone. Plan on giving whatever time you can that day. Will be running double concessions so we will need lots of concession help. We will be selling buttons and stickers.

Will need help managing both the Judges and Directors rooms. Bobbie Griswold has agreed to help with the Director's Room.

Will need adults to supervise parking.

NEEDS for the home show - pop up tents, propane tanks, and golf carts. Keith is available to help with picking up and/or dropping off.
- **Fundraisers:** Fruit Sale and Peppermint Bark (Nov/Dec), Gently used shoes collection (Jan) --- More information will be coming on these after the home show. Marchathon was a big success. Totals will be posted soon in CHARMS.
